Subject:

Dear Mr. Kahn,

I'm writing, as an admission counselor at The University of Tulsa, to thank you for the superb letter of recommendation you wrote on behalf of the SDJA College Recommendation Committee in support of the application of XXXXXXXX to our school. Your heartfelt, insightful and truly dynamic assessment is a testament to the strong personal attention students receive at San Diego Jewish Academy.

I am strongly convinced that our university would provide an excellent environment for her to continue to grow and prosper.

All the Best,

J. Derek Sparks
