

Zikaron V'Tikvah (Remembrance and Hope) Volunteer sign up sheet

Zikaron V' Tikvah was created to memorialize the children who lost their lives in the Holocaust, to honor the survivors and to display handmade butterflies from around the world, as symbols of renewed life.

The goal is to involve adults and children internationally to engage in the process of creating 1.5 million butterflies to be displayed at San Diego Jewish Academy. This hands-on educational project reaches across cultural barriers to teach us to remember the past, act responsibly in the present and create a more peaceful future.
