Middle School Science Textbooks

Please note that what is required for our course is the online text, and TWO lab notebooks. Currently, the text is not available through MBS, they are working on that.

Below are various links depending on which class your student is in, and if you already purchased the Notebooks through MBS.

**For Science 6/7 (for both grades 6 and 7)**

Those who need to purchase BOTH the online text AND the lab notebooks (2)

Those who already purchased the lab notebooks through MBS and would like to purchase the online text through the publisher

**For Science 8**

Those who need to purchase BOTH the online text AND the lab notebooks (2)

Those who already purchased the lab notebooks through MBS and would like to purchase the online text through the publisher
