

Golda Meir Lower School Summer Reading

Each student entering grades 2 through 5 has one required summer reading book. There is no book report or other project that needs to be done. We expect all students to read the book during the summer. In the first weeks of school, assignments will be based on the required reading. Students may read the book independently or with an adult. The required reading for students entering each grade is:

Grade 2: *Mercy Watson to the Rescue* by Kate DiCamillo

Grade 3: *Muggie Maggie* by Beverly Cleary

Grade 4: *Please Write in This Book* by Mary Amato

Grade 5: *Rules* by Cynthia Lord

Have a wonderful summer filled with many good books!
