

December 2010

Dear Parents,

My name is Mina Cohen I'm the coordinator of our wonderful Kayefet program. I'm a parent at the SDJA. I have been working the last six years at The Ken Jewish Community teaching and coordinating the Mini Macabi program (kids from 3 to 6 years). I also teach some classes to the bat Mitzvah girls at the same place. For the last few years I volunteered organizing different events at the School, at the Ken Jewish Community, and at Ohr Shalom Synagogue.

Now, I'm very excited about running our program. Over the last few months we have been working to develop new ideas for our after school program. We just designed an exciting, fun and affordable program just for your children. We studied all the necessities and decided to add more enrichment classes.

At the beginning we will have enrichment classes on Mondays, Tuesdays, Thursdays and Fridays, from 3:00 to 4:15 PM. The enrichment classes are 7 - 9 weeks sessions. That means that every 7 - 9 weeks we will offer a new and exciting program.

Wednesdays, and early dismissal days we will have regular Kayefet schedules: until 6:00 PM On these days the children will receive quality programming that includes special activities; arts and crafts, science projects, snack time, playtime, etc.

I would like to invite all K-5 graders to become involved and join our wonderful program and classes.

The Kayefet After School care Program Handbook is on the San Diego Jewish Academy website, as is the registration and enrollment information. Click [here](#) for more information. Please don't hesitate to contact me for more information or any questions you may have.

Have a great year and I hope to meet you soon.

Sincerely,

Mina Cohen
