

Facts on File Databases for Science and Literary References

Facts on File is one of America's leading publishers of print and online reference materials for schools. Facts On File has been publishing quality reference titles since 1941. This database provides comprehensive reference coverage in each of its subject areas. The subject areas we have purchased are:

Science Online

Presents a broad range of scientific disciplines through extensive definitions, essays, diagrams, biographies, and experiments. They explore all the areas of science including:

Biology
Chemistry
Computer Science
Earth Science
Environmental Science
Forensic Science
Mathematics
Physics
Space and Astronomy
Weather and Climate

Access to the Science database is:
