

Gaining Access to NetTrekker

Register with netTrekker d.i.

On Internet Explorer, go to the website <http://school.nettrekker.com> .

Click on the “register” link on the right top of the page.

Because netTrekker d.i. is only available through an annual subscription, users need to register in order to gain full access to all of netTrekker d.i.'s features. The registration form is simple to complete, requiring only a few pieces of user information, such as user name, password, user role and school.

Example of a netTrekker d.i. registration page:

Create New User

Please fill in the following form, making sure all the required fields are complete. Then click 'next' at the bottom. The fields with an asterisk (*) indicate required fields.

Account Information

*Create a username: ► (no special characters)

*Create a password: ► (5 character minimum)

*Re-enter your password for verification: ► (5 character minimum)

*Choose a password question: ►

*Answer your question: ► (type your answer)

Choose your school role: ► Student Teacher (or Other) Parent

Please take a moment to review our [Privacy Policy](#) and our [Terms of Use](#) before completing registration. By clicking the **next** button you are agreeing to our Terms of Use.

Please fill out the form as indicated. ALL FIELDS are required to complete the registration process.

Create a Username
Create a username for yourself. This can be any combination of letters and numerals you wish, but may not contain any spaces or special characters.

note netTrekker d.i. is a password-protected product. Please choose your username and password carefully -- you will need to use them each time you want to login to netTrekker d.i.

Create a Password

Create a password for yourself (5 character minimum). Repeat your new password in the "Re-enter your password for verification" field.

Choose a Password Question and Answer Your Question

Choose a Question from the drop-down menu and provide an answer that you will clearly remember. These "hints" will be provided back to you in the event that you ever forget your password.

Choose Your School Role

Choose a role to allow netTrekker d.i. to adjust the interface accordingly. Choosing a role helps your netTrekker d.i. administrator log usage by groups (students, teachers, parents), but not by individuals.

Your School

If your school has registered using an IP address, your school's name will appear on this page, either by itself or in a drop-down list. If it is in a drop-down list, select your school from the list.

If your school has not registered using an IP address, click after choosing your school role.

Enter Your School's State or Province and Name

Choose your state or province from the drop-down menu. Then type in the first official word of your school's name and click . Choose your school from the list provided.

When you have identified your school and reviewed our Privacy Policy and Terms of Use, you are ready to complete your registration. You do this by clicking on . A welcome page will be displayed and you will be granted full access to netTrekker d.i.
