YAD B'YAD A Helping Hand

In our community, many different family situations exist. Hopefully the joyous events outweigh the crises, but we are not shielded from tragedy.

At SDJA we recognize the need for our community to band together and give support to families in our school going through a serious illness or loss of a loved one. With the formation of the **Yad B'Yad** Committee, we have the ability to be there to help.

In order to achieve the goal of a "caring community" and provide support to our SDJA families going through a crisis, the **Yad B'Yad** Committee relies on communication. If the committee does not know of a situation, it cannot help.

Please call us when you hear of or are going through a crisis situation. The committee will evaluate the situation with the help of the administration and develop a plan to help.

We thank you in advance for your partnership and compassion.
