

SDJA STUDENT ATHLETE HANDBOOK

Team sports at San Diego Jewish Academy provide our student athletes with the opportunity to compete, along with their fellow classmates, with various schools throughout San Diego County. Participation in SDJA athletic programs is an excellent arena for students to learn commitment, responsibility, teamwork, and discipline. Athletics are also a great way to socialize with other students in a positive, healthy and competitive environment. SDJA student athletes are taught to represent their school and community with pride and character, to compete with sportsmanship, respect others, and maintain a healthy lifestyle. The SDJA athletic department is committed to providing an atmosphere that balances the social, academic and athletic aspects of student athletes lives. We strongly encourage every student to participate in at least one sport during the school year. The lessons one can learn, as a student athlete, will last a lifetime.
