Tuition Credits and Tuition Assistance

An Early Re-Enrollment Credit of \$1,000 per returning student is available for families that sign and submit their Enrollment Agreement by **Friday February 2, 2018**. The School offers

additional tuition credits for: families with three or more enrolled students, active San Diego Jewish community pulpit Rabbis, and School employees. In addition, the Open Tent Scholarship program is available for students that have a family member employed at a local Jewish organization.

SDJA does not restrict admission to only those students whose families can afford to pay full tuition. Nearly one in every three SDJA students receives some level of tuition assistance, including most "middle income" families that apply. Families are highly encouraged to contact the Admissions Office regarding the availability and likelihood of a tuition assistance award that will make SDJA affordable.

Initial Tuition Payment and Tuition Protection Plan

An initial tuition payment of \$2,400 is due at the time an Enrollment Agreement is signed and submitted to the school. For families applying for tuition assistance, the initial tuition payment is lowered to \$895 and is due at the time the Enrollment Agreement is signed and submitted to the school. The initial tuition payment is credited toward the annual tuition obligation, and is non-refundable.

The Tuition Protection Plan (TPP) insurance program provides families the opportunity to insure the obligation of tuition in the event of absence or separation of the student from the School. The TPP payment is due upon signing and submitting the Enrollment Agreement, and is non-refundable.
